7. Cut a piece of 4-1/4 x 2-1/4 Whisper White card stock for the image panel.

8. Stamp the “v” shaped image from Dino Days with Pretty Peacock ink at the bottom of the Whisper White image panel.

## 9. Image panel stamping + die-cutting work:

a. Pine trunk, dinosaur spots, and sentiment in Soft Suede.

b. Dinosaur is Pool Party.

c. Horns are Mango Melody.

d. Palm leaves are in Old Olive x6.

e. Coconuts are die-cut from Soft Suede card stock from the small 3-circle die x2 from Cup of Cheer dies. **Optional:** Emboss coconuts with Subtle Dynamic Textured Impressions EF.

## 10. Card assembly:

a. Using the Stamparatus, arrange die-cut images on the Whisper White image panel. Place sentiment on the image panel and stamp with Soft Suede ink.

b. Adhere the Mango Melody horns to the back of the dinosaur with Multipurpose Liquid Glue. Place 3 Mini Stampin' Dimensionals on the back of the horns and peel off the backing. Apply Multipurpose Liquid Adhesive to the back of the dinosaur head, neck, lower 2/3 of the body, and tail. Adhere to the right of the image panel. Optional: Assorted Googly Eye .

c. Adhere the trunk of the palm tree to the left of the card.

d. To build the palms; place 2 directly apart from each other, left to right, using a Glue Dot to adhere one on top of the other. Repeat this 2 more times working your way in towards the center using Glue Dots to build up dimension. Adhere to the palm tree with Mini Stampin' Dimensionals towards the bottom of the palm leaves. Curl up the edges of the palm leaves for additional dimension.

e. Adhere image panel to the center of the card with SNAIL adhesive.
